**Out- Going Treasurer Report:**

As out going Treasurer, I still have the books and have not turned them over to Mr. Leon Jackson yet, the newly elected officer for Treasurer. I am sure everyone is wondering about the account generated from the 2008 NASTA Conference held in Show Low, AZ.

We had 181 drivers/individuals who attended this year's conference base on registration. Currently I have 26 schools that have paid and deposits have been made. From those schools, the total amount is \$19,300 plus \$200.00 receipts from the Dinner, BBQ and Volleyball Tournament comes to **\$19,500.**

We still have some schools and individuals who have been invoiced but have not send in their payment as of today.

Based on checking account ledger We spent **\$17, 205.23** on 2008 NASTA Conference. Attached is itemize ledger for your review. After deposit and payout that have been made the association current balance is 18,670.09.

As the out going Treasurer I would like to thank you for your support and understanding. I am happy that I was given the opportunity for the experience and challenge this past year.

Have a great year, Aletta Pete
